Quick conversations with Judy Meintzer and Gillian Barnes

The CASLPA Board of Directors met in Ottawa at the end of October to approve the association's 2013 budget and to discuss and make decisions on the most pressing issues facing the association.

Catching up With Judy

CASLPA President, Judy Meintzer, was in Ottawa for the board meeting and I took the opportunity to ask her about her first six months as President. I also asked Judy to give members an update on some of the exciting projects keeping CASLPA staff busy these days - turns out, there's a lot going on!

Gillian: The Governance Guru

Gillian Barnes is the Chair of CASLPA's Governance Review Taskforce and, as immediate Past President, sits on the Executive Committee of the board. Some of you may know about CASLPA's governance review...and some of you may have no idea what it is (don't worry – until recently, I was in the same boat). In this video, Gillian explains what governance is, what the taskforce is doing, why they're doing it and what members can expect as this process moves along. I found it very informative – I hope you do too! If you have any questions, please contact Gillian (pastpresident@caslpa.ca) or Joanne (joanne@caslpa.ca).
